

LAVACA BASIN

2018 CLEAN RIVERS PROGRAM (CRP) ANNUAL MEETING

To be held at the LNRA headquarters at 4631 FM 3131, Edna, TX 77957
Tuesday, July 31, 2018 at 1:00 pm

***PUBLIC INVITED*--Please join us**

AGENDA

- **Michael Schramm**, Texas Water Resource Institute Research Associate, will discuss the Lavaca River Watershed Protection Plan (WPP) which will commence in September.
- **Chad Kinsfather**, LNRA Director Environmental Services, will discuss erosion issues associated with the East Mustang Creek Watershed.
- **Patrick Brzowski**, LNRA General Manager, will discuss information on calcium and its effect on Zebra mussel survival.
- **Jeff Stroebel**, Texas Institute for Applied Environmental Research (TIAER) Research Associate, will discuss the Rocky Creek Rural Use Attainability Analysis involving bacteria levels in Rocky Creek.

Please contact Chad Kinsfather at LNRA (ckinsfather@LNRA.org or call 361-782-5229) with any questions.

Bring your interest and join us for an open discussion of water quality in Lavaca Basin. Refreshments will be served.
